BPL population issue of ration cards and distribution of subsidised foodgrains to the cardholders rests with the State Governments.

As per the report received from Government of Bihar, it is not correct to say that people living below poverty line are not getting benefit under the PDS. The percentage lifting of BPL foodgrains (wheat and rice separately) during the last four years is as under:

Year	% of lifting against allocation of BPL category	
	Rice	Wheat
1997-99	41.7	75.9
1998-99	55.1	86.2
1999-2000	52.6	93.1
2000-2001	16.40	34.40

(c) State Governments have been requested to closely monitor PDS at the Fair Price Shops (FPSs) and other levels and make arrangement for distribution of the PDS commodities in a transparent and accountable manner with the active involvement of Panchayati Raj Institutions (PRIs).
